

Mayor Praises Salvation Army For Role in "Dominator" Rescue

It is estimated that in the state of California alone, the Salvation Army performs 9,500 acts of good will each day, through a variety of services around the clock.

One of these services was demonstrated to South Bay residents recently during the emergency situation attending the grounding of the Greek freighter "Dominator" off the Palos Verdes Estates.

THE SALVATION Army has in readiness a fleet of radio controlled emergency vehicles to be manned by trained personnel who answer calls for

service during fires, floods and other major disasters. As a result of the Salvation Army's work during the "Dominator" emergency, the following letter was sent to Capt. Hope Guernsey, commander of South Bay Corps at Redondo Beach.

"ON BEHALF of the people of the City of Palos Verdes Estates, I wish to express my heartfelt thanks and gratitude for the wonderful and capable job you and your staff did in providing coffee, hot soup, doughnuts and sandwiches to the many police officers who

Harbor College Offers Summer Art Courses

Seven classes in various phases of art will be offered by Harbor College during both day and evening hours of the six-week summer session from July 10 to August 18, Dean of Summer Session Robert V. Bacon said this week.

Four sections of Beginning Drawing and Painting I and II will meet Mondays, Wednesdays, and Fridays from 10 a.m. to 1 p.m., and Tuesdays, Wednesdays, and Thursdays from 6 to 9 p.m. The classes will include field trips, films, and still-life, landscape, and figure drawing. Drawing media will include pencil, pen, and charcoal, and painting will be in transparent watercolor and opaque colors.

"Please convey my thanks to the twenty-four volunteer Salvation Army workers who gave so freely of their time in the operation of your mobile canteen."

The letter is signed by H. F. B. Roessler, Mayor of Palos Verdes Estates.

PERSPECTIVE Drawing I and II will meet from 6 to 9 p.m. Tuesdays, Wednesdays, and Thursdays. These classes will start with beginning principles of freehand perspective, and from drawing simple objects will proceed to architectural forms and rendering techniques. All the drawing classes offer two units of college credit.

Beginning Advertising Design I, offering three units of credit, will meet from 10 a.m. to 1 p.m. Mondays, Wednesdays, and Fridays. The class will provide opportunity for individual work for those students who need to brush up in lettering, layout, and poster design, or other more advanced phases of commercial art.

THE INSTRUCTOR for all the classes will be Harold Hemmway Jones, popular Harbor Area instructor, artist, and art critic. A graduate of Pomona College and Claremont Graduate School, he has also studied commercial art and painting at USC, UCLA, Chouinard Art School, Oakland College of Arts and Crafts, and the University of Mexico. His experience includes watercolor painting, photography, architectural rendering, commercial art, and newspaper editing.

Registration for all summer students will be held from 8 a.m. to 2 p.m. and from 6 to 8 p.m., July 6 and 7. No individual appointments are necessary.

ALL COURSES are tuition free, carry regular college credit, and meet from 8 a.m. to 10 p.m. Mondays through Fridays. No admission tests or transcripts are required, and any high school graduate or person 18 or over may attend.

A complete schedule listing over 100 courses in the 1961 summer curriculum may be obtained by phoning or visiting the college.

Young men enlisting in the United States Naval Reserve Program before the end of June may request four weeks Active Duty for Training this summer, with full pay, transportation, board and room. They will be sent to San Diego Naval Training Center for two weeks Recruit Training, and they will then go directly aboard ship for two weeks' training afloat. Upon returning to port they will receive Navy pay and be returned home in time to enroll in school this fall, according to Lieutenant Commander A. C. Jackson, USN, Commanding Officer, U.S. Naval Reserve Training Center, Hawthorne.

New Reservists will be members of Naval Reserve Surface Division 11-22 (M), based at Hawthorne, and will be required to attend division drills on Wednesday evenings 7:30 to 10:30 p.m. A full day's Navy pay is received for each drill attended.

The summer program permits new trainees to advance to Seaman Apprentice Rate in six months and to qualify for the Rate of Seaman in 12 months. They will be serving a part of their six-year military obligation while going to school. Naval reservists going to college have an opportunity to become Commissioned Officers and they can have Active Duty deferred until graduation.
